**Information and the Application follows**

## PLEASE BE ADVISED

The selection process for Honors Band and Orchestra is different than the Soloist Audition. Students are invited to be members of the Honors Band and Orchestra strictly by proficiency scores. Many soloist candidates could receive both an Honors Band or Orchestra invitation and this Soloist invitation. Some could receive a Soloist invitation and not a Honors Band and Orchestra invitation.

## MYAF SOLOIST AUDITIONS ALL ENTRIES:

1. **Selections performed MUST have an orchestral accompaniment available for purchase or rental.**

MYAF requires that the soloist perform a piece of music that does have an orchestral accompaniment. Not all selections performed at the Solo & Ensemble Festival have an orchestral accompaniment. It might be necessary for the student to learn or perform a piece different than the piece performed at S&E if the wish to audition for the soloist spot.

MYAF will pay for the orchestral accompaniment music for the soloists selected to perform.

2. All performances **MUST BE MEMORIZED** and must be at least five (5) minutes in length, and no longer than eight (8) minutes. Selections may be cut to conform to the 8 minute length. **Performances will be stopped at 8 minutes.**
3. Participants must provide two scores of the piece being performed for use by the adjudicators. **One** copy needs to be an original. Failure to do so will mean elimination.
4. The finalists must perform the same composition at the Michigan Youth Arts Festival on Friday night, May 19, 2017 that they performed for the auditions.
5. Adjudicators may recall participants in the event of a tie.
6. Participants must provide their own piano accompanist for the audition. NO recorded or Smart Music accompaniment or unaccompanied performances are allowed.
7. This activity is open only to properly recommended residents of Michigan, attending a Michigan High School and meeting all other qualifications.
