

## ADDENDUM: MSBOA State Solo and Ensemble Festival Site Assignment

Due to the large number of events in the southeast region of the state, it is necessary to limit the number of events scheduled at some sites. If you are in one of the following districts, please check below for your State Solo & Ensemble site assignment: **3, 4, 5, 8, 11, 12, 15 and 16**. If your school is not listed below, you may choose any of the sites in Michigan that are not closed.

For those school that attended the site at Central Michigan University last year: CMU is NOT hosting this year. Please choose from one of the following alternative sites... Holland West Ottawa HS, Manistee HS, Okemos HS. In addition, we can accommodate a few more schools at the Lapeer East HS site: please contact the state VP for S & E (R. Scott Adkins) if you would like to attend this site.

**Directors: Be proactive and plan now for accompanist conflicts between sites if you have accompanists that assist schools other than your own. It may be necessary for you to help your students to secure a different accompanist for State.**
