

Each year, the 16 Districts of MSBOA can nominate a member for the MSBOA Teacher of the Year for Band and the MSBOA Teacher of the Year for Orchestra. Each District can nominate a teacher in each category, just one category, or in neither. This list is reviewed by the State Executive Board and a final list with three candidates in each division is announced. The entire membership will then vote in January for the 2011 Teachers of the Year.

**We are pleased to congratulate and recognize these District Nominees for
