

Information/Application to Become an Adjudicator for MSBOA Marching Band Festivals

Information

The Michigan School Band and Orchestra Association seeks highly qualified music educators to serve as adjudicators for our festivals. Evaluation of our students and ensembles holds a very high position of importance in the mission of the MSBOA. We therefore consider the qualifications of each candidate very carefully. Candidates must have a minimum of five (5) successful years (10 years preferred) teaching instrumental music and must have demonstrated a high level of achievement in their programs.

The Process

The Marching Band Adjudicator Workshop will take place in October, before the first MSBOA Executive Board Meeting. Thus, candidates may take the workshop without MSBOA Executive Board approval – **with the understanding that their application may not be approved by the Board and they would not be placed on the Adjudicator List.**

Persons interested in becoming an adjudicator for MSBOA's marching band festivals must apply to the Association using the application found at the end of this document. This application is reviewed by the District Executive Board that has jurisdiction over the applicant's home. Each District renders a decision, either approving or not approving the candidate. Those recommendations are submitted to the full MSBOA Executive Board for a final decision. The full Executive Board will decide on each candidate individually and may or may not agree with the District's decision. This meeting takes place at the MSBOA Fall Executive Board Meeting held in early November.

Candidates must attend the Adjudicator Workshop held in October in its entirety. After successfully completing the workshop, the candidate's application will be sent on to the State Executive Board for consideration to be placed on the MSBOA Probationary Adjudicator list. Each candidate must then successfully adjudicate at least two (2) MSBOA marching band festivals to be placed on the Permanent Adjudicator list. The candidate will be given forms to record each festival at which they adjudicated. It is the responsibility of the adjudicator to keep the forms until the required number is attained and then submit all of them at one time to the MSBOA State Office.
